RULES:

All classes during the Tour will be run on a points system:

Classes – **1,2,3,4,8,9,10,13,14,15,18** will be based on Athlete/Pony Combination.

Classes – **5,6,7,11,12,16,17,19** – points will be Athlete based.

Should a rider have more than one pony placed, points will only be allocated to the highest placed.

Points will then move up with the next Athlete(s) being awarded the vacated point(s).

Eg: where an Athlete places 1st and 2nd in a class, that Athlete will receive a total of 10 points. The 3rd placed Athlete will receive 9 points and so on

ELIGIBILITY OF ATHLETES:

Riders from all regions will be eligible to compete, however League Cups awarded on the Prize night will be awarded to the highest placed Ulster Region Athlete.

In ALL CLASSES the top 5 scores from the legs are banked but the Athlete must compete in the relevant class in the final to be eligible for the prizes.

IN ALL CLASSES ABOVE, where there is equality of points the highest placed Athlete/Pony combination at the Final, will get the higher placing.
